Dear Tel-A-Ride Applicant:

Enclosed is an application for the CARTA Tel-A-Ride accessible transit paratransit system. Tel-A-Ride is for individuals whose mobility impairment prevents them from using fixed-schedule bus routes. The application is intended to assess your abilities to determine if you are medically eligible to use Tel-A-Ride complementary service.

All sections of the application must be completed to process the application. Part II of the application must be completed by a Health Care Professional. This is necessary to determine your eligibility, as well as determining when and under what conditions you may require CARTA Tel-A-Ride service. Eligibility may be determined on a trip-by-trip basis. All information will be kept confidential.

When you have completed and signed the application, mail it to:

TEL-A-RIDE
ADA Coordinator
5790 Casper Padgett Way

You can also fax the completed and signed application to:

Fax: 843-529-0305 Attn: ADA Coordinator

You will be notified as to your eligibility to use the service by mail within **three weeks**.

Please note that the Tel-A-Ride service area is a ¾ mile corridor on either side of the local fixed-route bus line. Your origin and destination must be located within this service area. If you are requesting a pick-up at your home, it must be within the ¾ mile corridor. The ADA Coordinator will be happy to help you determine if your home is within the service area.

TEL•A•RIDE Application for ADA Paratransit Eligibility

ACCESSIBLE SERVICES AND THE AMERICANS WITH DISABILITIES ACT

Individuals, who cannot board, ride or get to or from a regular public transit bus because of a disability may be eligible under the Americans with Disabilities Act (the ADA) for paratransit services. Charleston Area Regional Transit Authority (CARTA) provides TEL•A•RIDE, origin-to-destination, shared-ride accessible paratransit throughout its service area.

TEL•A• RIDE drivers can assist passengers from their residence to the vehicle or from the vehicle to their destination point upon request. Please remember to make this request when making your reservation.

If the effects of your disability **prevent** you from riding CARTA buses, you may be eligible for TEL•A• RIDE some or all of the time. If your disability just makes riding the bus more difficult or inconvenient, you may not be eligible for TEL•A• RIDE under the Americans with Disabilities Act (ADA).

If you believe that you may be eligible, please complete the enclosed Application for ADA Paratransit Eligibility and return it to the address given on Page 11.

Part I of this application is to be completed by the applicant. Part II of this application is to be completed by a health care professional familiar with your disability. It is important that you provide complete information about the effects of your disability in the application.

You will be notified in writing on whether or not you are eligible for TEL•A• RIDE services within **21 days** of receiving your completed application. If a decision is not made within 21 days, service will be provided until a decision is made.

If you do not agree with the decision, you have a right to appeal. Appeals information will be sent to you, if your request for eligibility is denied. Appeals will be accepted within 60 days of the initial eligibility decision.
